Re: Business License Application of Pinkey April Johnson

Dear Sir or Madam:

My name is Pinkey April Johnson and I have registered with the State of Florida to conduct business under the name, "Psychic Life Readings". I am submitting an application for a Business Tax Receipt to conduct psychic readings, astrological interpretation, palmistry, tarot card reading and other related practices at 4409 Stirling Road, Dania Beach, Florida, 33314. The specific requirements for a license of that nature require that a letter be included which describes the nature of the business. This letter shall serve that purpose.

I am a lifelong adherent and practitioner of spiritual arts and studies that involve the supplying advice and opinions based upon psychic reading, astrology, palmistry and other related practices. I have many years of experience in offering this sort of service and have worked at several establishments where those services were offered. While I have a great deal of experience in this field, I have not received a license of this nature in the past as the areas where I previously worked did not require the issuance of such a license. Accordingly, I have never been denied a license and have not had any agency refuse to renew a license in the past.

It is my intention to provide services at the above-referenced location in a professional and lawful manner. I intend to offer those services to persons who share my interest in psychic reading, whether they be serious adherents or simply persons who enjoy those services as a form of entertainment.

The business will be structured to include an area where I can meet privately with customers who seek my services and will involve readings and consultations being performed on the premises. The business will rarely have more than one customer present at a single time and will maintain normal business hours, making the likely impact on the neighboring properties very minimal.

It is my intention to present the business as an attractive, friendly, inviting place where customers will feel comfortable visiting. I intend to maintain the premises in an aesthetically pleasing manner and will abide by all regulations related to signage and appearance of the property.

I have no criminal history and have never been convicted of any criminal offense. I have numerous and strong ties to the community, both familial and social.

I would request that the City Commission grant my application for a license to conduct psychic readings, astrology consultations, palmistry and tarot card readings. If there is any other information which is required, I will be happy to work with the City in providing it.

Sincerely,

PINKEY APRIL JOHNSON
